PROFILE SUMMARY

Motivated Frontend Developer with solid hands-on experience in HTML, CSS, JavaScript, React, Next.js, Tailwind CSS, and Bootstrap. Continuously learning and improving in building responsive and user-friendly web interfaces. Also familiar with backend technologies like Node.js, Express.js, MongoDB, and Redux Toolkit, with basic experience in creating full-stack applications. Eager to grow in a professional environment, contribute to real-world projects, and enhance my development skills through hands-on experience.
